

£1,000 from testimonial

TONY HORSEMAN and John Maskell, who between them have been with Wycombe Wanderers for nearly 30 years, received reward for their loyalty on Thursday night when they were presented with the proceeds from their special testimonial match earlier this month.

Both players were presented with cheques of £504 from club chairman Mr Reg Williams in the club's boardroom. And they can also expect to receive a further sum from the Supporters' Club raffle which is being drawn on Thursday, December 9.

A crowd of almost 3,000 people turned out to support the testimonial which was specially arranged by the Bucks' Free Press. We got together a team of past players from the last nine years to play the present team while O.P.R. manager Dave Sexton came along to present the trophies to the 'Free Press' competition winners.

In making the presentation, Mr Williams thanked all those who had helped to make the evening a great success, especially the committee, gatekeepers, supporters and players.

He added: "I would also like to thank Dave Sexton for coming along. He came up from Brighton on a foggy night and I felt it was a wonderful gesture for him to support the event."

Mr Williams paid tribute to the two players, Tony and John, and thanked them for their sterling service to the club.
